The PARE Program offers graduate school students enrolled in the PARE consortium an opportunity to take the PARE Comprehensive/Specialized Subjects at Hokkaido University, Japan as a Special Auditor for a few months to one year.

The objective of the PARE Program is to foster individuals with four specific characteristics that are essential for global leaders who will be active in resolving challenges related to PARE (Populations–Activities–Resources–Environments) in Asia, and able to contribute to the sustainability of resources in Asia. For implementation, Hokkaido University formed the PARE consortium with six partner universities in Indonesia and Thailand.

Please ask the Liaison Desk at your university to find out the application period.
